Final Note by the First Member of Council.

Subject:—

Question of fixing the travelling and malnad allowances to the Agricultural Inspector at Marthur Farm.

The Director of Agriculture brings to notice that the halting allowances claimed by the Agricultural Inspector in charge of the Marthur Farm for November and December 1915 have been disallowed by the Comptroller who suggests the desirability of treating Marthur as the head-quarters of the Inspector.

The Director of Agriculture while agreeing to the said proposal of the Comptroller requests sanction of Government for the allowances above referred to and recommends the grant of a malnad allowance of Rs.20 and of fixed travelling allowance of Rs.1[illegible] a month to the Agricultural Inspector, the former allowance in consideration of the costly living in the malnad and the latter as a sort of compensation for his expenses incidental to his tours in the neighbourhood in connection with Lolerega spraying work.

The Financial Branch suggests that the malnad allowance may be fixed at Rs.10 and that Travelling allowance under ordinary rules may be granted.

2. The matter was considered in Council who are of opinion that "Marthur may be treated as head-quarters of the Agricultural Inspector and that he may be given a malnad allowance of Rs.15 and daily allowance under the ordinary rules."

The accompanying draft order which is in accordance with the resolution of the Council may be approved.

25th April (917)

Submitted to His Highness.

I submit herewith a "Final Note" by the First Member of Council recommending the grant to the Agricultural Inspector in charge of the Marthur Farm, of a Malnad allowance of Rs.15/- a month and the daily allowance under the ordinary rules.

2. The accompanying draft order sanctioning the above may be approved.

21 Exactly. Nor is it necessary to state expressly or by implication that the A/C Inspector or Sub-Inspector for whom D. A. admissible he is at H.Q. quarters. Hence the G.O. does not affect the ordinary rules.

DIRECTOR OF AGRICULTURE IN MYSORE,
BANGALORE.

To

P. C. D'Souza, Esq., B.A., B.L.,
Offg. Secretary to the Government
of H. H. the Maharaja of Mysore,
Deptts. of Agri.,&c., Bangalore.

SIR,

I have the honour to bring to your kind consideration the following and to request that you will be so good as to obtain sanction of Government on the same.

The Agricultural Inspector posted for Karthur Farm was allowed to tour in the neighbouring parts in connection with Koleroga spraying work in addition to his supervision of the Farm and in his Travelling bills his claims for halts at Karthur were allowed. But in the months of November and December 1915 he had to devote his full time to the Farm work and in submitting his Travelling Allowance bills for these months he claimed his usual halting allowance and the bills were sent to Comptroller for audit who returned the bills unaudited with his objection memo No.189 of 8th ultimo which together with the two Travelling allowance bills I submit for your reference.

I agree to the proposal of the Comptroller to fix the Head Quarters of the Agricultural Inspector at Karthur, but I recommend that the Agricultural Inspector may be given a malnad allowance of Rs.20/- per month and a fixed travelling allowance of Rs.15/-

I propose the former as the cost of living in malnad is higher and such allowance is usually granted to many officials in the malnad. In this connection I may point out that an allowance of R. 20/- was sanctioned in Government Order No. R. 6831-3/Agri. 160-08-4 dated 23rd April 1909 and Government Order No.9945-6/Agri. 160-06-6 dated 25th May 1909. To compensate the Agricultural Inspector for expenses that may be incurred by him on his tours in the neighbourhood I propose the latter allowance and shall ask him to maintain a conveyance.

I have the honour to request that under these circumstances you will be so good as to obtain sanction of Government for granting the Agricultural Inspector the allowances proposed by me and in the meantime to instruct the Comptroller to admit his claims for halts at Larthur.

I have the honour to be,

Sir,

Your most obedient servant,

Leslie Coleman
